

HeartLight Recommended Podcasts on Grief

Tune in to listen to discussions and stories related to grief experiences.

In this podcast episode, join Baruch HaLevi and his guest, grief expert, Jenn Flaum, Executive Director of HeartLight Center, as they help you catch your breath, settle your emotions and give yourself permission to intentionally, consciously, and slowly wander through your grief.

After the death of her parents within 2 years of each other, trauma therapist, writer and podcast host Meghan, found herself on the receiving end of the same treatments she used with her own clients. In concert with her writing on the popular blog "Grief Is My Side Hustle," Meghan and her guests discuss how little education and support has historically been given to grief education and explore the question she hears most often in her office, "aside from crying, what does it mean to grieve?"
